

YOUR ESSENTIAL REPORT

YOUR COMPLETELY TAILORED
REPORT BASED ON YOUR CURRENT
NEEDS AND REQUIREMENTS

YOUR ESSENTIAL REPORT

Your Essential Report is a fully customised astrological report created around your exact questions, concern, or life area. There is no fixed theme for this report.

You bring your concern and we analyse it astrologically in depth. Whether your question is about money, career, marriage, health, parenting, Saturn phases, or even a very specific planetary placement, this report is designed to give clear, practical answers.

What can you ask in the essential report?

You may seek guidance on any one or multiple areas, including but not limited to:

- Wealth, income growth, savings & financial stability
- Relationships, separation, remarriage themes
- Business guidance for coming years
- Parenting guidance (child's behaviour, education, emotional needs)
- Sade Sati, Shani Mahadasha, Rahu/Ketu phases, or any Dasha period
- Timing-related questions (when things improve, when to act, when to wait)
- Emotional blocks, repeated life patterns, or mental stress phases

EASY TO UNDERSTAND & DETAILED GUIDANCE

Your Essential Report is a completely different service from short answer to one question. It is a detailed, structured analysis that studies your concern through your complete birth chart, supported by relevant divisional charts, planetary strengths, house activations, and ongoing dasha periods. Instead of giving surface-level response, this report explains why the issue is arising, which planets and houses are involved, and how the situation is meant to unfold over time. Technical factors such as planetary dignity, aspects, conjunctions, and timing cycles are carefully interpreted and then translated into clear, practical guidance.

The analysis remains focused only on what is relevant to your concern, ensuring depth without confusion. This approach allows you to make informed decisions with clarity, context, and confidence rather than relying on fragmented answers or guesswork.

Inclusions related to your concern can have analysis keeping in consideration (depends on the concern, some of them are only added as per the requirement of the specific analysis)-

- Health tendencies and lifestyle corrections (astrological perspective)
- Property, investments, inheritance, or legal/authority-related matters
- Foreign travel, relocation, or settlement possibilities
- Detailed analysis of one specific placement
- (example: Saturn in 7th house, Rahu in 10th, Moon afflictions, etc.)
- Any other personal concern you want clarity on

ANALYSIS OF THE FOLLOWING IS CONDUCTED
