COMPATIBLITY AND KUNDALI MATCHING

FOR COUPLES WHO WANT TO PROSPER TOGETHER AS A TEAM.

Lastrological

ARE YOU BOTH ALIGNED FOR THE LONG RUN?

The Compatibility Report is designed for couples, dating partners, or marriage prospects who want clarity on long-term emotional, mental, and karmic alignment. This report goes beyond Guna matching scores. It explains how two people function together in real life, including communication, emotional safety, conflict handling, intimacy, and growth.

CAN YOU GROW TOGETHER?

This Report helps you with:

- Recognising friction points before they turn into major conflicts
- Understanding emotional compatibility and attachment dynamics
- Identifying strengths that support long-term bonding
- Learning how to consciously work through differences
- Assessing marriage readiness and sustainability

ARE THEY THE RIGHT PERSON TO COMMIT TO?

Written in simple language, focusing on day-to-day relationship functioning, No generic Kundali Matching scores guidance.

Numerology Insight

The Numerology section, offers a quick yet meaningful understanding of relationship themes through:

- Life Path tendencies in love and commitment
- Emotional rhythm and bonding style
- Compatibility themes through core numbers

Numerology is used here as a supportive tool, not a deciding factor. It helps highlight repeating relationship lessons, timing patterns, and personal growth themes.

Important Note: Both Western Astrology and Numerology sections are included only in the Complete Love / Compatibility Analysis and not in the standalone Vedic Love Potential or Vedic Compatibility reports.

REQUIRED DETAILS

What We Need From You

To personalize your compatibility and growth report with accuracy and depth, please share the following details for both partners:

- Date of Birth (DD/MM/YYYY)
- Time of Birth (as exact as possible)
- Place of Birth (City, State, Country)
- Current locations

Additional Details About Your Relationship

Please share these a PDF to help us understand your relationship context more clearly. This should include how you met (dating app, mutual friends, family introduction, arranged match, etc.), if you have met each other or not, the nature of the match (love, arranged, or a blend of both), your current stage as a couple (single, dating, long-term, engaged, married, or considering commitment), your present relationship situation: what feels stable, what feels unclear, or where you may feel stuck: and any key concerns or challenges you would like the report to focus on, such as communication, trust, timing, family dynamics, future plans, or emotional distance. This context is optional but allows us to interpret your compatibility and growth patterns with greater accuracy and relevance, ensuring the insights reflect your real-life relationship rather than abstract data.

OUTCOME

By the end of this report, couples would:

- Understand each other beyond surface-level traits
- Feel reassured about strengths and informed about challenges
- Know how to nurture the relationship consciously
- Make clearer decisions about commitment or marriage

Please note: This report is designed for individuals and couples who believe growth comes from working with each other, not outsourcing decisions or manipulating others by unlocking their astrological patterns. The insights offered are meant to support reflection, conscious choice, and how two people show up for each other rather than replace communication, effort, or accountability.

For couples who want to feel closer, understand each other, and grow together as a team.
